SUMMER READING ASSIGNMENTS
FROM THE LANGUAGE ARTS DEPT.

CORAL REEF HIGH SCHOOL

Your grade for summer reading will be based on how:

- well you followed directions
- thoughtfully you have written about your books
- creatively you have shown your reactions to the books

A. Read your teacher-selected book. Write a total of 5 journal/reader's log entries (include at least one from the beginning, middle, and end of the book). Each journal entry should include the following:

- a quote from the book, the author's exact words which are inspiring your comments
- the page number on which the quotation appears
- a 3-5 sentence summary of this portion of the book-
written in the voice of the major character-write the way he/she would speak.
- 2-5 sentences telling why you selected this quote from the text

B. Illustrate an important scene from the same book.

- Include the page number where this scene appears.
- You may draw, cut out pictures, and/or use computer art.
- You might want to design a collage.
- Write a caption that explains what the illustration is about.

(SEE NEXT PAGE)

C. If you are reading one additional book, prepare any one of the options listed below.

- If you are reading 2 additional books, prepare any one of the following assignments for each book
 - Each answer should be 1-2 pages (the poem might be shorter but should be at least 15 lines). Your answers should be double-spaced and typed.
 - Compare and /or contrast one of the major characters to a character in another book that you have read.
 - Write a poem/song that was inspired by the book.
 - Write a prequel and/or sequel to the book (what do you think happened before and after the events in the book).
 - Write 3-5 paragraphs in which you state and then support your opinion of whether this book should (not) be read by students in your class.
 - What if your story took place in a different location and time period?
-
- Enjoy reading your books and thinking about what they mean to you.
 - You are encouraged to read as many books as you can in addition to the required basic reading.
 - This assignment will be collected during the second week of school in August and will count as part of your grade in Language Arts.
 - Have an enjoyable, relaxing summer; and we will see you in the fall!
